Boost Engagement, Leads & Sales – With a Simple Spin!

PromoWheelsOfFortune.com

Standing out in today's market isn't easy. You need something that's bold, interactive, and unforgettable. A customized Wheel of Fortune doesn't just attract attention—it drives engagement, captures leads, and turns events into experiences.

Businesses across Europe use promotional Wheels of Fortune to stand out and increase foot traffic. Join them and make your brand impossible to ignore.

Customized Wheels of Fortune enable them to:

- **Attract instant attention at events, expos, and retail locations**
 - **Turn casual passers-by into paying customers**
 - **Increase engagement without spending more on ads**
 - **Grow your email list and social media following**
- **Create a sense of fun and urgency that boosts conversions**
 - **Encourage repeat visits with smart prize strategies**

Wheel of Fortune – Top Arrow with Clicker

Standing Wheel of Fortune with top clicker will help you stand out everywhere. With stable footing, smooth rotation, custom design and that addictive clicking sound that draws a crowd, your retail event or trade-show booth will get a surge of visitors, leading to more leads and more business for you.

We offer the most customization options for your Standing Wheel of Fortune – Top Arrow with Clicker

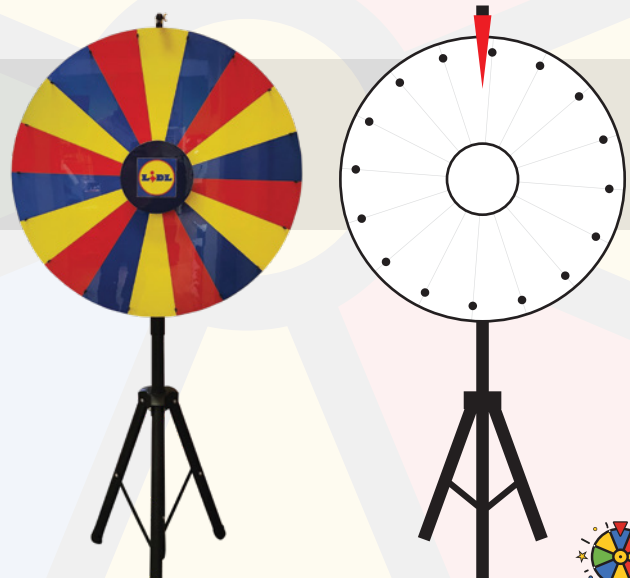

- Two wheel diameters: 80 cm / 110 cm
- Various slots numbers: 80 cm wheel has 16 slots and 110 cm has 24 slots. You can reduce the number of slots to fit your needs – we even prepared several ideas for you in our Design Templates Catalogue
- Custom design: to make your Wheel of Fortune special and matching your brand guidelines, you can make your own design; or we can make it for you
 - Logo Disc: little round shaped disc that covers the central axis of your Wheel of Fortune. 80 cm diameter Wheel of Fortune features 20 cm diameter Logo Disc, while 110 cm diameter Wheel of Fortune features 30 cm diameter Logo Disc
- Custom Logo Disc design and shape: with a little imagination you can design your Logo Disc as you wish – not only graphics, but also it's shape. Stand out where it matters – in the center of your Wheel of Fortune
- Custom dress: you can expand your custom design from the wheel to the “dress” – a custom designed cover that goes around the tripod and hides it, making your Wheel of Fortune stand out even more

Standing Wheel of Fortune – Top Arrow with Clicker Features

- Two wheel diameters: 80 cm / 110 cm
 - Wheel material: 10 mm PVC foam board + 1 mm acrylic plate
 - Tripod stand: light metal with black color coating, foldable, stable
 - Easy to assemble

- Total weight: 6,00 kg / 7,00 kg

It is all about the Prizes

Wheels of Fortune catch the eyes of passersby, but it is the prizes that draw them inside your booth to spin the wheel.

So yes, there should be some thinking involved in choosing your prizes.

Here is some basic advice on how to pick the right prize/giveaway:

- Prizes should fit your marketing theme
- Prizes should fit your target demographics
- Prizes should be branded with your logo/message
- Think of tiered prizes - multiple levels of prizes
- Offer your product or service (or sample thereof)

*We have been developing, making, and branding promotional products for 17 years.
Rest assured, we can supply any kind of prize/giveaway.
See our websites and photo gallery with products we have made in the past.*
